Sponsor: The Republic of Croatia, The People's Republic of China, the Islamic State of Pakistan, the United States of America,

Signature: Zimbabwe, Australia, Italy, the United Kingdom, Japan, Russian Federation, Sweden, Germany, Brazil, France

The ECOSOC,

*Deeply worried* by the current crisis caused by a decline in African economics, which has now affected European and Asian countries,

*Expressing deep concern* of the refugees fleeing to European countries,

1.***Appealing for*** the African countries to stay calm and cooperate with the other countries in the world positively and actively.

2.***Urging*** the African countries to let developed countries to invest more on their lands including opening factories, etc.

3.***Requiring to*** set up special teams to Africa to teach local people how to grow crops that are easy to survive and fast to come into a state of mature and the technical aids that are easy to be accepted and to be used as soon as possible.

4.***Calling for*** the countries to make financial loans instead of direct monetary donations to Africa.

5.***Further calls for*** all countries to promote trading among African and European countries by reducing tariffs and protectionism and open joint ventures to pull up economic growth in African countries.
