Assignment 1

(400-800 words for each question)

1. Please conduct a deep research on the current system of global volunteerism. Analyze and define the insufficient aspects in the system in order to achieve a more effective and more efficient global volunteering system. (e.g. from the perspective of volunteers' recruitment or training, etc. Overall evaluation can be stated firstly and then 1-2 aspects should be specifically and fully presented)
2. Then, from the national/institutional perspective, present proposals for improvement and state your own responsibility in the aim of peace development.
 - a) Since delegations can be classified into four types (Developing country/ Developed country/ UN Entity/ International organization), delegates are suggested to conduct researches according to their type nature.
 - b) Suggestions for improvements on existing system can be put forward, such as how to enhance and extend online service system. New mechanism can also be created.
